Credit

Replacement

Repair - Not all parts are repairable. Contact Core Sensors for more information.

By checking the box below:

I certify that the returned product will be cleaned and sanitized prior to return. I understand that Core Sensors reserves the right to deny evaluation on a product that it deems unsafe or unsanitary. I understand that if a product is returned for failure analysis and no failure is observed, an evaluation fee may apply. Core Sensors will not be held responsible for product returned without the proper RMA number. Returns without proper documentation are subject to rejection and returned at the customers expense.
